## Focus Feature

### 11/2/05: Longview Farms - Anniversary Celebration Location

#### Summary:

.Everything Old Is New Again!

Longview Farms has recently gone through a major transformation. The historic property, once housing over 50 structures, now sports a new elementary school where its show horse arena once stood. In addition to the school, new buildings are sprouting up as construction continues, building new residential neighborhoods, a shopping district, civic buildings and public spaces.

## Committee Report

### 11/2/05: Education Committee Report

### Summary:

What in the world is the purpose of the education committee?

In order to continue the chapter's focus on education the Education Committee provides four seminars every year, one each quarter. The seminars focus on emerging trends, best practices, expanding fundamental knowledge, and advanced FM topics.

## International News

### 11/4/05: Membership Drive

**Summary:** Making membership stronger IFMA knows that to create a solid membership, chapters and councils are essential because they create investment at the local or industry-specific level. Because of this, IFMA has once again partnered with Marketing General to develop and implement a Member Get A Prospect program.
