Good morning ifmaKC!!

I hope everyone had a joyous and memorable Holiday season. However, it isn't over yet! New Year's Day is this week.

History: The Holiday Season is defined as incorporating at least Christmas, New Year, and sometimes various other holidays and festivals. Saturnalia (500-50 BC) was an ancient Roman festival in honor of the deity Saturn, held on December 17 of the Julian calendar and later expanded with festivities through December 23.

The earliest source stating December 25 as the date of birth of Jesus was Hippolytus of Rome (170–236 AD), written very early in the 3rd century, based on the assumption that the conception of Jesus took place at the Spring equinox which he placed on March 25, to which he then added nine months. There is historical evidence that by the middle of the 4th century, the Christian churches of the East celebrated the birth and Baptism of Jesus on the same day, on January 6, while those in the West celebrated a Nativity feast on December 25. In some traditions, the season lasts until February 2. So there you have it! 2021 is right around the corner and my word for next year is **HOPE!**
