### Update Us!

When was the last time you reviewed and updated your info?

Be sure to keep us up to date with your latest contact info! You can login, review and update your info through IFMA HQ [here](#)! Once your new info is saved through their website, we get updated on our end!

Be sure to provide a personal email as an alternate if you are using a work email and/or you are close to retirement age! In case of a change, we will still be able to contact you (and invite you to our holiday party for FREE when you retire!)

As COVID-19 continues to change the landscape, you may find yourself changing jobs.

#### **Did you know?**

Your membership belongs to YOU. Even if your company paid for it, memberships belong to the individual.

So, even if you move jobs, we're still here for you! We want to get you information and networking you deserve.
