The Perfect Description of a Facility Manager

"The ideal Facility Manager must have Aristotle's logic and Solomon's wisdom, a priest's discretion and a gambler's poker face, a lawyer's shrewdness and a marketing director's charm, a gladiator's guts, a marathon runner's perseverance and a sprinter's speed, a leatherneck's

toughness and a dancer's agility, lots of good luck and 30 hours per day ... I think THIS said it all !!!"
