

IFMA™

International Facility Management Association

KANSAS CITY CHAPTER

Urgent!

We know your time is valuable and your professional responsibilities are many. So, help us to shape future classes and programs to better suit your needs.

In an effort to assist us in planning for **The Facilities Manager /Product or Service Provider Roundtable** event in September, could you please share **3 minutes of your time** to respond to the attached survey?

This information will allow us to have a more productive, interactive, and fun event.

The responses will also provide focus for the Professional Development Committee to design future educational offerings through 2024.

Thank you in advance for helping us make this event and future programs successful!
