

ifmaKC is proud to join IFMA, GlobalFM, and other FM associations around the world as we celebrate the important contributions and achievements of the facility management community - and the positive impact the profession has on our lives.

World FM Day, celebrated on **May 8, 2024**, is the opportunity to celebrate the behind-the-scenes heroes of the built environment and share well-deserved thanks for keeping our facilities healthy, safe, and productive.

What is the purpose of World FM Day?

The theme for World FM Day 2024 is Inspire, Integrate, Innovate: Ignite your career in FM. We encourage you to celebrate World FM Day with us to recognize and celebrate the vital work that workplace and facilities managers and the wider industry contribute to business worldwide.

The International Facility Management Association (IFMA) and **ifmaKC** are celebrating World FM Day with great enthusiasm and pride. This global event recognizes the invaluable contributions of facility managers in ensuring the functionality, safety, and efficiency of built environments worldwide.

Adding an extra layer of significance to the celebration, ifmaKC is **proud to announce that Kansas Governor, Laura Kelly AS WELL AS Kansas City, MO. Mayor Quinton Lucas, have both officially signed proclamations, solidifying the recognition of World FM Day** throughout the state. These proclamations underscore the vital role facility managers play in maintaining the infrastructure that supports businesses, communities, and everyday life.

We encourage you to print the Proclamations at your desired size, frame them and display them with pride.

In celebrating World FM Day, the **ifmaKC Chapter** not only honors the accomplishments of ALL Facility managers around the globe, but also reinforces our commitment to excellence in the field. It's a day to recognize, celebrate, and inspire the future of facility management.
